There is a scam that is targeting Kentucky Motor Vehicle Registration customers, there is not a lot of information on the scam as of yet, but what we do know is that the scam is offering to pay the customers registration or give them a discount of some sort. **THE ONLY LEGITIMATE METHOD** for registering your vehicle is in person, by US mail, or web renewals through (drive.ky.gov). **THIS IS THE ONLY WAY.** Once more information becomes available it will be passed on.
